FOREWORD

Whether you're a Senior, a Junior, a Sophomore, or a Freshman, we hope that the 1967-68 year has been a memorable one for you. On the following pages, the TOM TOM Staff has tried to preserve these memories for you. It is our sincere wish that this year's TOM TOM will keep the O.F.A. of 1967-68 alive forever.

Mr. Jack Evans.

DEDICATION

This year's dedication goes to the chairman of our science department. You can instantly identify this man by his trademark, a bow tie. Often you will see him with remedial students, his genetics club, or the seniors for whom he acts as advisor. Those who are privileged to know him will long remember his excellent class drawings, his quick smile, and his swift step. The 1968 TOM TOM Staff dedicates this issue of the year-book to Mr. Jack Evans.

IN MEMORIAM

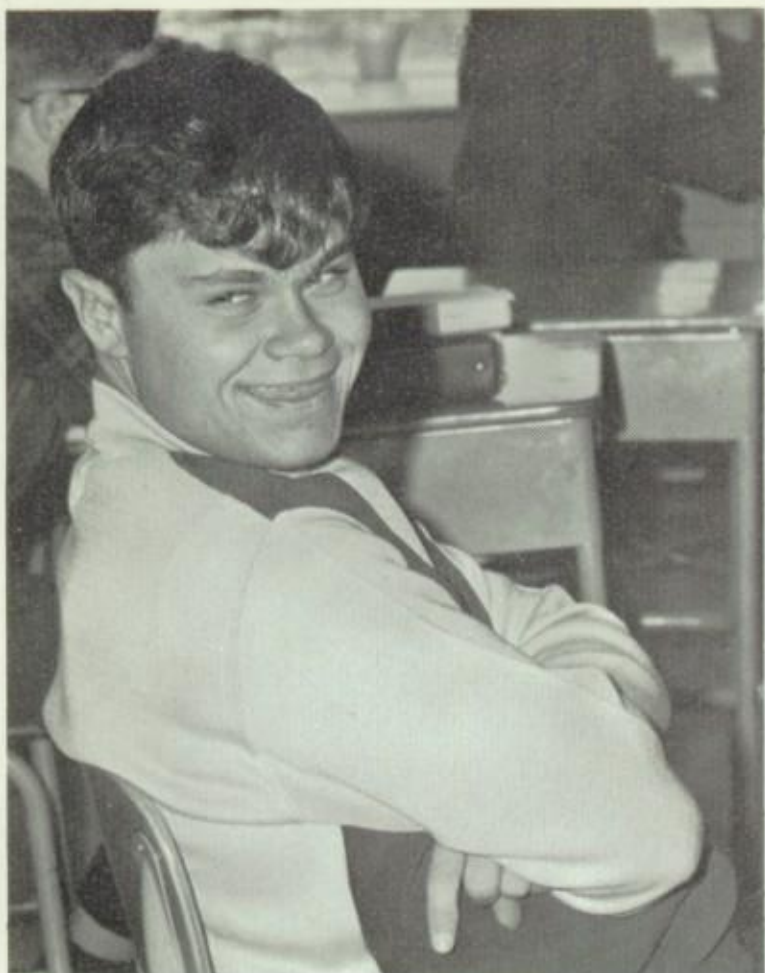

Karen, 1950—1967

Fred, 1948—1967

Tragedy is a word frequently used but seldom experienced in its true meaning. On a warm summer day this past July, we all learned its meaning when tragedy's heavy hand fell upon two of our fellow students.

In the short time that Fred and Karen Neumeyer attended our school, his friendly smile and her bubbly giggle became well known and will always occupy a special place in the hearts and memories of their friends at O.F.A.

WE BET ON PEOPLE

There is a sporting element in all of us that causes us to take a chance.

I bet on people; I don't bet on horses. Horse sense comes from the idea that horses don't bet on people.

The businessman bets on people when he employs a new worker, for he is betting that the new employee will achieve enough to justify his wages.

We bet on people in education by investing money, fostering curiosity, developing skills, nurturing youth—and so the Class of '68 comes to fruition. Parents are proud, teachers are thrilled, and the community "stands tall".

Congratulations! We are betting on you.

HELLO AND FAREWELL

It seems so soon indeed—some two hundred boys and girls assemble at O.F.A., and in four brief years young men and women pass along their varied ways. As the Class of 1968 says good-bye to friends—some may share in the poetic thoughts of THE PROPHET. Perhaps you will ponder his words for a moment:

Farewell to you and the youth I have spent with you.

It was but yesterday we met in a dream.

You have sung to me in my aloneness, and I of your longings have built a tower in the sky.

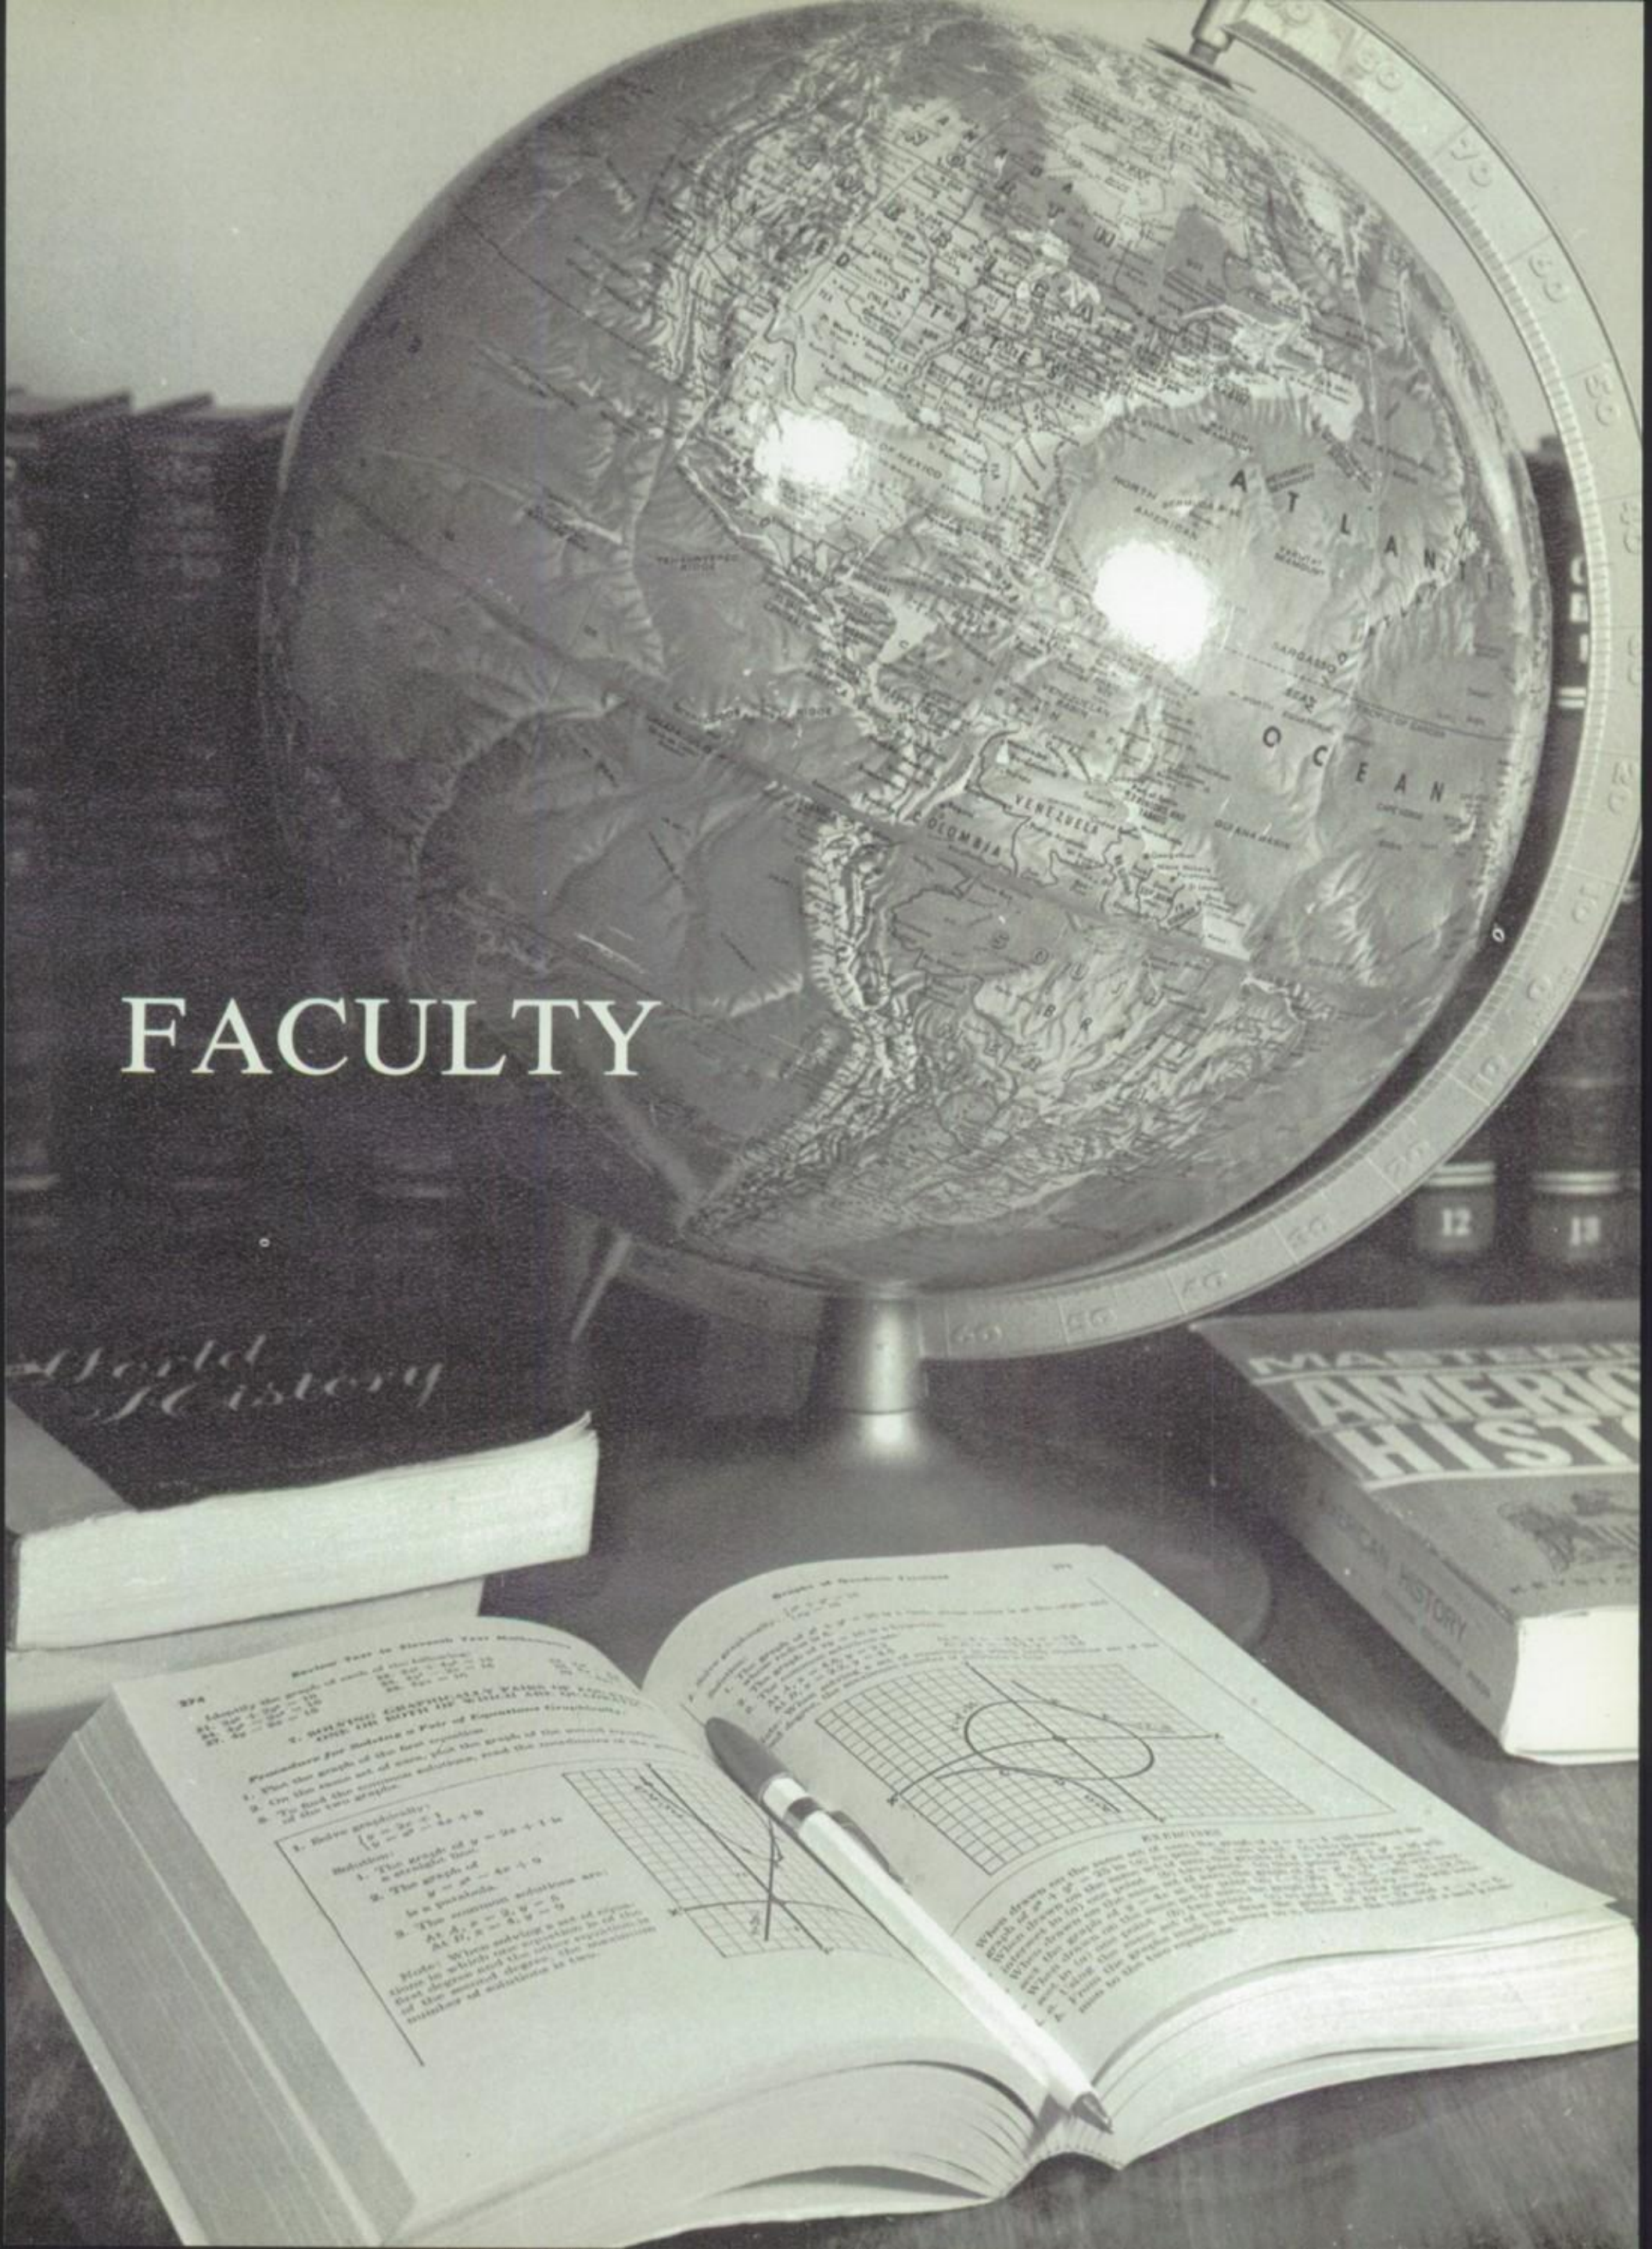

The noontide is upon us and our half waking has turned to fuller day, and we must part.

If in the twilight of memory we should meet once more, we shall speak again together and you shall sing to me a deeper song.

And if our hands should meet in another dream we shall build another tower in the sky.

Hey you,—with the cherry bomb. . .

The TOM TOM Staff would like to take you on a journey through the 1967-68 school year according to seasons and events.

We open the year with the freshmen in the autumn of their high school career. While the sophomores are trudging through the winter, the juniors confusedly are weathering the spring of their high school years. Last of all, the seniors are blooming forth in summer fields.

We sincerely hope you enjoy your journey through the seasons of the 1967-68 school year.

VARSITY FOOTBALL

Since the football team competed in the Southern Tier Athletic Conference for the first time, Mr. Wheaton's 1967 squad had to prove that Owego belongs in this powerful league. By winning the championship of their division, the Indians did prove that they are strong enough for the STAC. Explosive offense, tough defense, individual stars, and great team work were factors that made the Indians champions.

Filled with enthusiasm and pep, this year's football cheerleaders spurred the Indians to a victorious season in our new league. With much ingenuity, the girls also devised an unusual pep assembly, as well as many new cheers to boost school spirit. They certainly helped prove that "Our Team is Really Great".

With Jim Clark and Steve Fuller as high scorers, this year's varsity basketball team kept fans in suspense right up to the last minute of the last game. The team won nine league games and lost seven. This record placed the team third in the Southern Tier Athletic Conference competition. In the holiday tournaments, however, they won first place. The boys are to be congratulated for an overall good year.

Our Junior Varsity players experienced a better than average season. They successfully defied third, fourth, fifth, and sixth place in the Southern Tier Athletic Conference and ended in notch 2, with a 10-6 record. In the Holiday Tournaments they placed third. It must be noted that when they did lose a game, they always gave the opponents a decided scare. O.F.A. can look forward to a fine future varsity squad.

VARSITY BASKETBALL CHEERLEADERS

The varsity basketball cheerleading group, made up of familiar faces from last year's squad, cheered hard and long for the team. To arouse school spirit they made posters urging students to attend the games and sold tags for the same purpose. As a service to both the visiting and home teams as well as the cheerleaders from other schools, the girls made food available for hungry players and starved shouters.

The junior varsity cheering squad, under the leadership of Captain Ellen Conti, was made up of nine girls who were new to the group. They initiated new cheers and worked hard to promote school spirit. Their success was evident, for the student body actually cheered at the first pep assembly.

VARSITY WRESTLERS

The 1967-1968 Owego Free Academy wrestlers grappled to a 9 and 5 season in their first year of Southern Tier Athletic Conference competition. By placing sixth in the STAC Finals, the squad found itself behind only the larger schools in the league. Although all wrestlers had excellent records, the top honors go to Dave Geller (13-1), Jerry McTamney (12-1-1), and Dale Wales (11-2-1).

ORGANIZATIONS

Under the leadership of John Watkins the Student Council enjoyed a fruitful year. The group made some necessary changes in the O.F.A. constitution, carried out many service projects, and provided worthwhile assembly programs. However, the 1967-1968 council will be remembered best for the improvement of student-teacher relations.

The qualifications for membership in Honor Society are based upon the guiding principles of scholarship, service, leadership and character. The Honor Society seeks to stimulate academic achievement, to develop honesty, tolerance, and a sense of service to others, and to encourage the growth of leadership. Under the supervision of Miss Rosenberg, the Omega Phi Alpha chapter of the National Honor Society became involved in many activities, the most outstanding of which was a tutoring program.

"To further the friendship, understanding, and knowledge among nations" is the purpose of the American Field Service. This year the student chapter helped sponsor our German Exchange Student, Evelyn Gritzbach. The whole school benefited from Eve's visit, as we learned about her country and customs, and she, in turn, learned about ours. Also, A.F.S. was able to send Kathy Talbot, one of O.F.A.'s juniors, to South Africa. When Kathy returns next year, she, too, will share her experience with the students here.

CAMERA CLUB

Peter O'Connell, President, kept the members busy taking pictures, developing films, and discussing the techniques of photography. He and the members planned an interesting trip to the Eastman Kodak Company in Rochester. These worth-while activities gave the boys valuable experience and turned some of them into professional photographers.

With advisors Mr. Witinski and Mr. Fyock playing their usual brilliant games of chess, the Chess Club had keen competition. These two experts not only competed with the members but also taught them fundamentals. They also helped the boys develop their skills in the game.

Future Teachers, FRONT ROW (left to right): A. Martin, S. Ganong, S. Allen, C. Nickels, K. Vrooman, P. Sansky. ROW TWO: P. Tasse, A. Dumbleton, J. Rich, J. Brown, D. Rieg, E. Orzal, N. Rankin. FUTURE TEACHERS

Because of an increase in membership, F. T. A. was very active this year. Under the guidance of Mrs. James Guido, the members worked as teachers' aides in the grade schools, invited cadet teachers to tell them about college life, and even visited classes at Cortland State Teachers College. The members also established the Future Teachers' Annual Award to be presented to the senior who shows the greatest potential as a future teacher.

Future Nurses, FRONT ROW (left to right): S. Strunk, M. Minnich, J. Green, President; C. Bogart, Secretary-Treasurer. ROW TWO: D. Hart, S. Stewart, J. Telfer, D. Wage.

FUTURE NURSES

The Future Nurses Club gives students an insight into the exciting career of nursing. This year the program featured a film entitled PROFESSIONAL NURSES and a talk by a public health nurse who explained her duties. Also several members reported their observations after their visits to local hospitals. As a result of their activities, the future nurses felt they had had a highly informative year.

DRAMA CLUB

Drama Club, FRONT ROW (left to right): M. Kravec, S. Woodmansee, J. Roberts, Treasurer; E. Gritzbach, Vice-President; D. Maurer, President; J. Nickels, Secretary; J. Whitney, Mr. Gorman. ROW TWO: J. ROW FOUR: B. Perkins, S. Robinson, B. Turner, L. Wagner, J. Roberts, L. Dick, E. Keagle.

The Drama Club, under the able direction of Mr. Gorman, had a very successful year. The members benefited from a workshop with the Ti-Ahwaga Players and from visits to college art festivals. The highlight of the year was a one-act play which was presented to the student body in an assembly. These activities made Drama Club an educational and enjoyable experience for all involved.

FUTURE HOMEMAKERS

Future Homemakers, FRONT ROW (left to right): C. Strunk, J. Davis, L. Shepardson, D. Newman, H. Kellam, D. Sibley. ROW TWO: G. Stalder, B. Bennett, C. Frey, D. Godfrey, D. Updyke.

Like every other year The Future Homemakers of O.F.A. were very active. The girls met twice a month with Miss Bleiler. Their money-making projects were bake-sales, a dance, and a candy sale. At Thanksgiving time they made baskets for the poor. In December they organized a successful Christmas party for underprivileged children and gave each child a pair of woolen stockings and tasty cakes — all made by the club members. Because of these projects, the F.H.A. members not only showed their desire to be of service but proved to be an organization of which O.F.A. can be proud.

FUTURE FARMERS

Future Farmers, FRONT ROW (left to right): B. Smith, H. York, D. Middendorf, R. Craig, M. Graham, W. Hiller, President, L. French. ROW TWO: D. Walters, T. Paley, T. Short, F. Crawford, K. Rudin, D. Moesch, Treasurer; Mr. Fyock.

"Doing To Learn"

This year the Owego Chapter of the Future Farmers of America has had many activities emphasizing their motto of learning by doing. Some of the more glamorous functions were the meat project, the senior trip to the Pennsylvania Farm Show, the raising and marketing of vegetable and annual flower plants, and beautifying the school grounds. Agricultural products were utilized in the chicken barbecue, the spaghetti supper prepared by Mr. Gatto, the father-son banquet, and the venison supper. Recreation was not neglected. The F.F.A. sponsored a bear hunting trip to the Adirondacks with their fathers, a hayride, a junk trading night, basketball games, ice skating party, and coon hunts. This has been truly an active year for the "Action Organization".

MACHINIST CLUB

The Machinist Club was established in 1951. Since then the membership has increased from 10 to 25. The purpose of the club is to learn the operation of complex machines and to work for perfection and accuracy by following close tolerances. Under the guidance of Mr. Andrews the members have concentrated on the design and maintenance of power machinery and, thus, have increased their knowledge and skills in this area.

In French class students concentrate on the basics of reading, writing, and speaking French. But after school, many of these same students attend the French Club meetings to learn about modern French living. Miss Niver, who spent last year in France, gave an illustrated talk about her life in Paris. In keeping with the purpose of the club, the group celebrated Christmas and Mardi Gras in the traditional French way. Finally, to give the members a first hand view of French culture, the students raised money to finance a trip to Montreal. Miss Ruth Lowe was the club's advisor.

German Club had an active year. The students played soccer with other clubs and caroled at Christmas time. These activities, however, were not the main ones. Since German Club is founded on the idea that, in order to speak a language well, one must have an understanding of the people and the culture to which the language belongs, the club discussed German customs, art, schools, and even politics. Slides of the countryside and a talk by Evelyn Gritzbach, this year's American Field Service student, enlivened the discussions.

Math Club is made up of O. F. A. students who have completed Math 10, are majoring in mathematics, and have maintained an 85 percent average. This year the members spent their time solving problems and learning the fundamentals of mathematical operations.

Under President Ellen Conti's leadership, the G.A.A. had an active year. During football games the girls worked hard selling programs and running the concession stand. They also inaugurated a new money-making project—a snow shoveling day. They put their money to good use by sponsoring volleyball and basketball play days.

TOM TOM STAFF AND EDITORS

The combined effort of the students pictured on this page made the 1968 yearbook possible. The editors and their staff with the help of Mr. Ellis and Miss Goodrich spent many hours putting together this unique TOM TOM. However, the staff feels that credit for the book's success really goes to those students who star on every page.

SPANISH CLUB

President Janet Gardner and the Spanish Club officers planned programs to bring the members closer to the culture of Spain. The programs included slides, song fests, and talks by teachers who have studied abroad. Other projects included fund-raising schemes for a trip to New York.

Key Club is a service organization composed of capable high school boys interested in serving others. Last year the group lived up to its motto—"we build"—by sending money to help construct a school in Micronesia. This year the group earned money for similar projects.

The purpose of the Philosophy Club is to encourage its members to think. At every meeting the "philosophers" had heated discussions on many subjects about which they had not thought heretofore. Democracy and its purpose, religion and its purpose, and reincarnation were just a few of the subjects discussed.

The Broome-Tioga Area Occupation Education Program is a new addition to the curriculum at O.F.A. Students who participate in this program spend afternoons at the Area Center and learn trades in fields which interest them. Such fields include auto mechanics and machine shop for boys, beauty culture and child care for girls. This program meets the needs of those students interested in vocations.

VARSITY CLUB

The Varsity Club is a service organization consisting of athletes earning one or more letters in a sport at O.F.A. Besides operating the concession stand at football games and aiding in athletic events such as the S.T.A.C. wrestling tournament, it helps out in any other activity requiring extra assistance. It also contributes to the Golden Rule Fund and to the American Field Service. Each year Varsity Club presents a sweater to those senior members who have earned two or more letters in a sport at O.F.A.

SMOKE SIGNALS, the school newspaper, kept the student body accurately aware of the how, why, where, and when of all major happenings. It provided factual coverage of news events, exciting sports recaps, captivating features, and controversial editorials. The combined efforts of the editors, reporters, typists, cartoonists, photographers, advertisers, and sellers resulted in ten informative and stimulating issues this year.

Students pictured above are office assistants from the Principal's Office and Assistant Principal's Office. Although they were not all present when the picture was taken, there are a total of 28 helpers involved. These students answer the telephone, run errands, put mail into the teachers' boxes and do general office duties.

The library assistants have had a busy year. Without their help Miss Grimes, the librarian, would have had a hard job just keeping the books shelved. By helping with such duties, the girls not only perform a valuable service for the school but also gain experience for a possible future occupation.

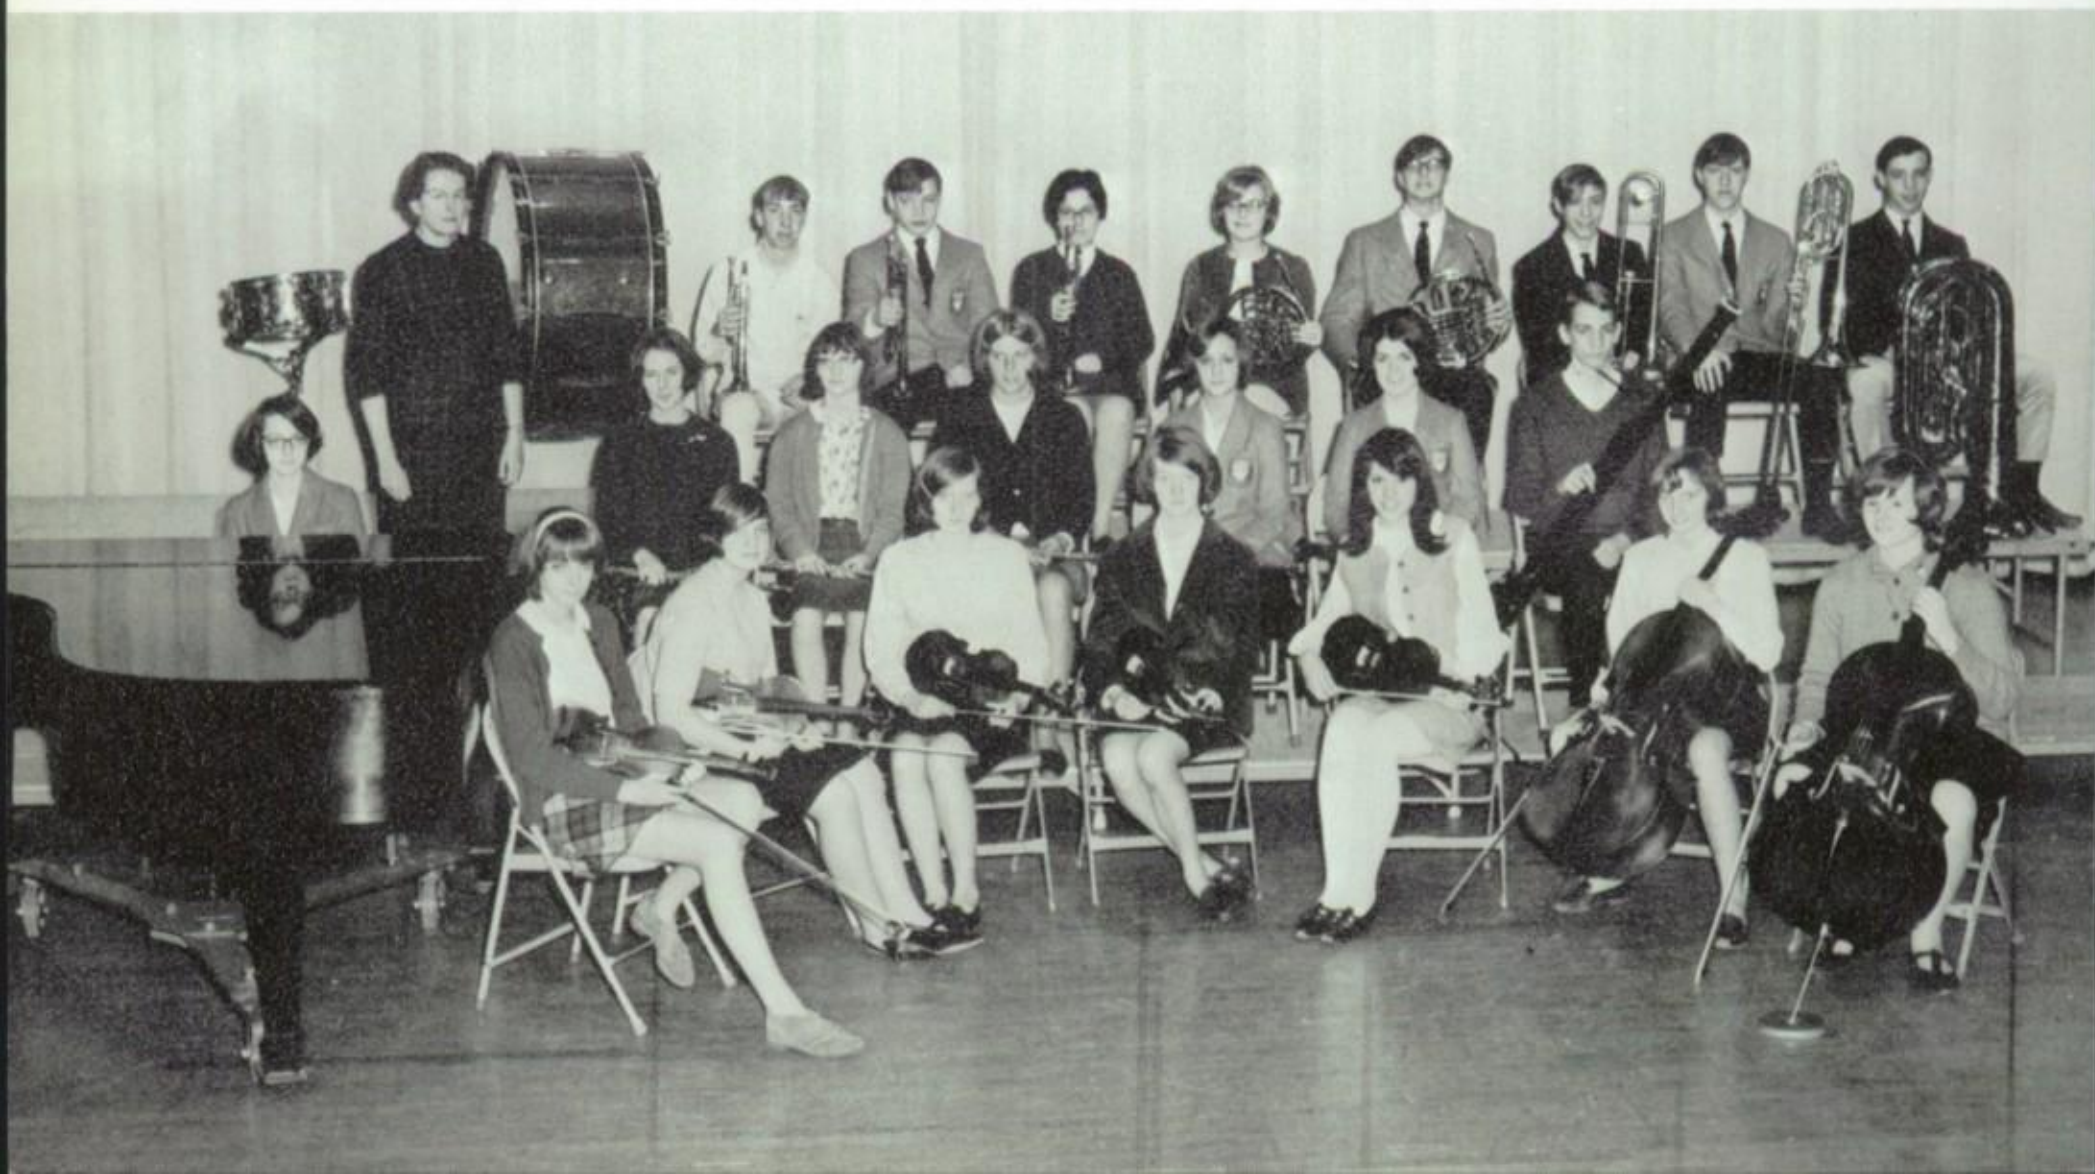

AUDIO VISUAL AIDS

This year our A.V.A. boys did a fine job under the leadership of Mr. McVannon and Randy Bostwick. The services rendered by this organization are constantly in demand, and these boys should be commended for their efforts.

The members of the Concert Choir were very busy this year. The highlight of their activities was the concert tour of the area around Carlisle, Pennsylvania. There they gave concerts at four area schools. Also, they were entertained by the teenagers of St. Paul's Lutheran Church, sponsors of the tour. Besides going on the trip, thirty members of the choir participated in the County Chorus, twenty-six entered the N.Y.S.S. M.A. solo contest, and five attended the sectionals at Harpur. To raise the necessary funds for these activities, the choir sold zip code directories and had car washes, bakesales, and the annual candy sale.

JUNIOR CLASS

All members of the Class of '69 worked hard in preparation for their important senior year. Their money-making projects included the sale of sweat-shirts, a dance, and several bakesales. They won some acclaim, too, with an imaginative and impressive Christmas decoration entitled "The Night After Christmas". The patient class advisors, Miss Bentley and Mr. Gill, helped the juniors make this year a successful one.

GOLF

The 1967 golf squad put forth a valiant effort against the Triple-Cities teams. In one sense the season was a record-breaker, since Owego ended with 0-14-1. Next year, however, the players expect to do better.

GOLF TEAM: FRONT ROW (left to right) T. Steele, L. Porter, B. Ladd, R. Philpot, B. Carlson, W. Relyea.

CROSS COUNTRY

Although the 1967 cross country team lacked the sensational talent of last year's harriers, a fine effort was put forth by the squad. Sophomore Lyn Nestle along with co-captains Bob Thompson and Mike Watkins led the team throughout the season. In dual meet competition Owego had two wins against three losses. However, next year looks more promising with Lyn Nestle, Larry Dick, Ben Weiss, Gordon Watkins, Jerry McTamney, Jerry Cranell and a host of spirited freshmen returning. Many congratulations go to Mentor Fenton for a splendid job of coaching and keeping the boys from getting lost.

CROSS COUNTRY TEAM: FRONT ROW (left to right) L. Dick, L. Wagner, J. Watkins, B. Thompson, L. Nestle, G. McTamney, P. Watkins. ROW 2: M. O'Leary, B. Davis, L. Schweizer, J. Marks, B. Weiss, J. Crannell.

TRACK

TRACK TEAM: FRONT ROW, left to right: J. Hunt, S. Galli, B. Joplin, G. Deuel—Co. Capt., C. Schweizer—Co. Capt., P. Rhodes, M. Morris, T. Bryant. ROW 2: J. Wood, E. Hofmeister, S. Rollins, B. Thompson, D. Berg, T. Haun, F. Konzal, L. Dick. ROW 3: D. Wright, J. Mathers, S. Gavin, J. Mayberry, R. Gannon, M. Lightner, B. Bixby, B. Bidwell, T. Allen, T. Huntington, L. Nestle, B. Frenzel.

Since 1967 marked Owego's first year as a track and field participant in the Southern Tier Athletic Conference, it was only fitting that the team should be nothing short of spectacular.

At U.E.'s Parkhurst Invitational Owego competed with about twenty other schools and achieved a surprising overall second place. Curt Schweizer won the 2 mile and Gary Deuel was a double winner, taking both the triple jump and the broad jump. Along with Curt Schweizer, who also won the STAC mile in a record 4 minutes 30.2 seconds, other distance runners such as Jess Hunt and Jack Mayberry gave fine performances.

The 1968 season should prove to be a rewarding one for track. Super-stars Bob Thompson, Steve Rollins, and Don Berg are returning in the quarter mile. There are rumors that Thompson has already hit 50 seconds in that event. Football speedster Tom Bryant should be one of the best sprinters in the area. High flying Fran Konzal and Tom Bailey in the pole vault and highjump round out what appears to be another championship team.

Convincing victories of last year and the promise of a winning team this year provide proof that Owego is ready for the highly competitive STAC.

VARSITY BASEBALL: FRONT ROW (left to right) S. McGavin, B. Jost, B. Storm, L. Pierson, G. Keyes, J. Worthing. ROW 2: Mr. Fenton, J. Rhodes, J. Whitt, G. Klossner, E. Prentice, M. Guiles, T. Vlasak, P. Montgomery.

VARSITY BASEBALL

The 1967 varsity baseball team was the first varsity team to represent Owego in the newly formed Southern Tier Athletic Conference. The boys did not have a winning season and ended up with a record of 6 wins and 10 losses. However, the young inexperienced team showed great promise and should make a creditable effort another year.

Highlights of the season were Steve McGavin's stalwart pitching and John Worthing's sixteen strikeouts in the Johnson City game. This last feat tied the single game strikeout record.

J.V. BASEBALL

Our Junior Varsity players experienced a better than average season. They successfully defied third, fourth, fifth, and sixth place in the Southern Tier Athletic Conference and ended in notch 2, with a 10-6 record. In the Holiday Tournaments they placed third. It must be noted that when they did lose a game, they always gave the opponents a decided scare. O.F.A. can look forward to a fine future Varsity squad.

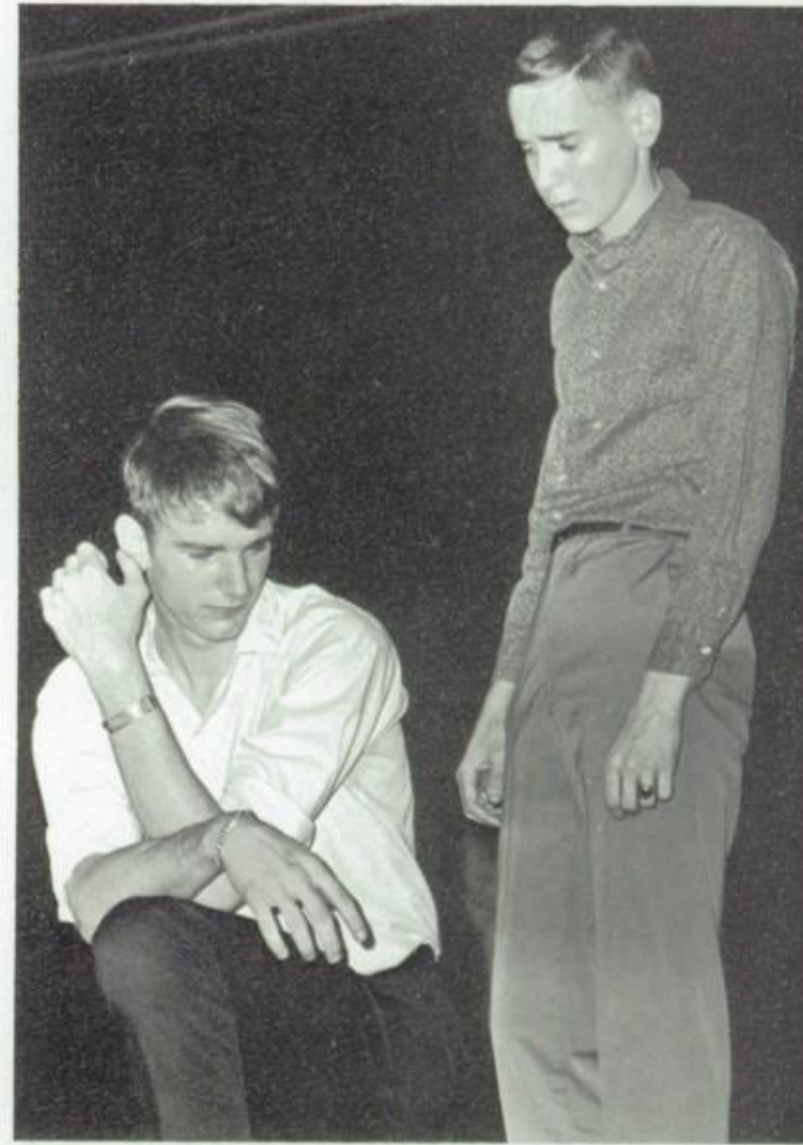

TENNIS TEAM: FRONT ROW (left to right) J. Marks, D. Hammes, L. Markey, K. Ellis, T. Marchewka. ROW 2: J. Bingham, B. Huntington, S. Fuller, R. Marchewka, B. Walls, Mr. Murphy.

TENNIS

The tennis players had a fairly good season for their first year in the Southern Tier Athletic Conference. They won five games and lost five. Keith Bradley was the leading man.

Dear Classmates,

It is hard to say good-bye to the four eventful years here at O.F.A. These years have been the basis for determining the role each of us will play in the future. Many of you will go into the service; some will enter college; and others will find employment. Whatever the future holds, I genuinely wish the best for you.

Sincerely yours,

Rich Barto

LIMITLESS OPPORTUNITY

The sources of man's knowledge are limitless as is his unending search for more knowledge. Thus, anyone who is inquisitive and enterprising has an infinite opportunity to continually advance toward any goal he sets for himself.

Education is the foundation from which he starts. It is his companion throughout a lifetime — growing as he grows. It is the measure of his accomplishments.
